## 2018 Florida vacation.

This year, the DeNoto family was very fortunate to celebrate: Christine and Tom's twenty-fifth anniversary; Alex's graduation from Trinity College and graduate school acceptance to Boston College; Devon's first year at Fairfield University attaining dean's list honors and Eric's graduation from grammar school to middle school.

## Friends and Family time are essential.

We can only be successful when we are connected with others in our life. Friendship and the experiences we share together create lasting memories we cherish together.

### Family time.

Tom's faith is an important part of his life which he carries with his family and into the community he serves. Volunteering has become a big part of his family life. It includes teaching a third grade religious education class, being a youth minister and coaching his children's soccer, softball and baseball teams.

# Comradery is imperative.

I have worked alongside many members in some capacity over the past 18 years and have enjoyed the benefits our association bestows upon us through its events and deep rooted friendships. Working together is one of our greatest strengths that is cultivated by and through our leadership. Your vote represents a commitment to this organization which I will not treat lightly or take for granted.

Trust that my perspicacity will better our association for the continued success we work to achieve each day.

Thank you for considering me as your representative in this election. I hope you and your family have a safe and fun filled summer.

Sincerely,

*Tom De Noto*
