

VOTE

# MELINDA FONDA

FOR

## CAAO PRESIDENT-ELECT

### Why vote for me?

I have over 18 years experience in the assessment field. My first job in assessment was as a clerk and I then worked my way through the ranks. Having experience in all aspects of the profession gives me a better understanding of the needs of our membership.

We all learn something new each day whether we realize it or not. Education has become my passion over the years. I have served on the CAAO Education Committee, AAT Committee, Curriculum Development Committee, NRAAO Co-Chair of Education and am currently serving as CTIAAO's Education Coordinator. These opportunities have given me firsthand experience and insight into fostering the personal and professional development of our current and future members. If elected, I promise to continue making education a top priority.

My dedication and passion for my job have led me to serve in various capacities for CAAO, CTIAAO, NRAAO and IAAO. This service has prepared me for the next step in my journey as President-Elect of CAAO.

I respectfully request your support.

Sincerely,

*Melinda Fonda*
