

**Timothy
Hutvagner, CCMA II**

Candidate for CAAO President-Elect

My experiences with CAAO, HAAA, CT IAAO and now as a CCMA Instructor have allowed me to grow within our profession as a State Certified Assessor. **Education is my #1 Priority!**
I want to motivate and encourage involvement in CAAO and be a voice for all CAAO members.

I vow to work with OPM, CCMA and every other assessment organization to promote our field in a professional manner and to work with all of you, no matter what your level of expertise or assessment. The rich sense of community that we've developed at our workshops, symposiums and certification courses is very important to me. I feel my participation on the CAAO Education Committee as Co-Chair shows my level of dedication to you and to your membership in CAAO.

One of the Economic Principles of Valuation is the Principle of Change...one of the many reasons why I love this field is that there is always some new topic for consideration and the parameters of our business are always changing. I would like to be your voice and to work hard to promote your profession and to help assist in your growth within the profession.

Please consider voting for me for CAAO President-Elect on
September 3rd!
